To all St. Thomas Press, Radio and Television Sources:

Please repeat as often as possible until March 5, 2006.

Habitat for Humanity of the U. S. Virgin islands (Habitat-VI) invites families who are now living in sub-standard housing, who would like the opportunity to own their own simple, decent house to attend an information meeting on St. Thomas.

Habitat-VI is a non-profit Christian housing ministry that builds simple affordable homes in partnership with those in need of decent housing. Families purchase the houses at no profit, though interest-free mortgage loans.

To be eligible to apply, families must be living in sub-standard housing, should have sufficient family income to repay the mortgage, but not over 80% of our local median income, and should be willing to partner with Habitat-VI through their contribution of "sweat equity" and participation in the Habitat community.

To learn more, please register to attend a St. Thomas Information Meeting. Meets will be held on Thursday, march 2 at 6pm, at the Windward Passage Holiday Inn Hotel, on the Waterfront, and on Sunday, march 5 at 3pm at the Lutheran Church of the Reformation in Anna's Retreat. There is no charge to attend, but if you decide to apply, there is a \$45 non-refundable application fee, \$10 of which will be required for a credit check at the meeting.

Please call 714-5678 to register for a meeting or for more information.
